

CALENDARIO TRACK DAY 2023

dallara *Stradale*

In 2023 we are planning to organize for the «Dallara Stradale family» a series of track days in the most engaging and fun circuits in Italy.

The participation is open to all Dallara Stradale owners and the track sessions are organized to be interesting and fun for both experienced drivers and complete novices

For this reason we will always have with us an experienced Dallara driving coach to support the first steps on a racetrack as well as to suggest the best way to improve the driving techniques to more advanced drivers.

A Dallara technician will also always be present to ensure that all participating cars will run safely and reliably.

All participants will have the opportunity to choose if they wish to be ranked and participate in a friendly competition with fellow drivers that will be based on the average of the seven fastest laps of the day or if to simply enjoy the driving sessions without the pressure of the stopwatch.

The objective is to have fun all together both on and off the circuit. For this reason the night before each track day we will always organize a dinner for all participants and their guests to share and celebrate our common passion

Team experience

Technical support and Dallara Coach

- Pit garage with Dallara technician
- Technical briefing and coaching with a Dallara test driver to improve the driving skills and performance on the circuit

F.A.Q. track day Dallara Stradale 2023

Il track day è aperto a tutti?

Certamente sì, sono **track day amatoriali con rilevazione del tempo sul giro** a cui possono partecipare sia le persone che non sono mai state in pista precedentemente sia i piloti più esperti. Il Challenge LLCC a cui parteciperemo è un incontro in pista in regime di circolazione turistica fra appassionati che ha l'obiettivo di migliorare il livello e la confidenza di guida, al solo fine di incrementare la sicurezza sia su strada, sia in circuito.

Quali sono i requisiti per partecipare?

I piloti devono essere in possesso di patente di guida categoria B in corso di validità.

Ogni iscritto dovrà partecipare al briefing di sicurezza obbligatorio all'inizio della manifestazione, pena l'esclusione dai turni in pista.

I **passengeri** saranno ammessi in alcuni turni indicati dall'organizzazione. Sia per il pilota che per il passeggero è **obbligatorio indossare un casco omologato** per autovettura o per motocicletta.

L'abbigliamento deve prevedere pantaloni lunghi, maglia a maniche lunghe e scarpe chiuse per tutti. Come per tutte le attività in circuito, è comunque caldamente consigliato l'utilizzo di tuta ignifuga con omologazione FIA e di un casco automobilistico con omologazione FIA.

Le persone che creino pericolo in pista e che non condividano gli ideali prettamente amichevoli e ludico-sportivi sui quali si basa la manifestazione saranno immediatamente escluse dall'evento.

Quali sono i requisiti per le vetture?

La partecipazione è ammessa per **Dallara Stradale in qualsiasi configurazione** (barchetta, spider o coupé).

Le vetture devono essere in regola con le norme per la circolazione stradale ed essere dotate di assicurazione RCA in corso di validità. Sulla vettura deve essere montato il **gancio di traino anteriore**.

Precedentemente alle attività in circuito, è fortemente consigliata **la procedura di rodaggio freni** per uso pista come da specifiche fornite da Dallara.

Come viene stilata la classifica?

Per chi vorrà partecipare, i criteri di assegnazione dei riconoscimenti ai piloti non saranno legati alla prestazione cronometrica assoluta, ma premieranno la costanza e la condotta del mezzo in sicurezza, non il tempo sul singolo giro, verrà pertanto stilata a fine giornata una classifica basata sulla media dei 7 giri più veloci di ogni pilota.

Posso portare un accompagnatore?

Gli ospiti sono sempre assolutamente benvenuti, il costo per ogni **ospite passeggero è di Euro 100, come pilota è di 150€** ed include la partecipazione alla cena e il pass per accedere al circuito. E' possibile condividere la vettura e le sessioni di guida in pista a piacimento. I requisiti di partecipazione sono gli stessi del pilota.

Devo prenotarmi in anticipo?

Sì, è molto consigliato, essendo gli **eventi a numero chiuso** ed aperti anche ad altri partecipanti. Consigliamo di iscriversi presto con la possibilità di annullare 1 mese prima dall'evento

Participation terms

The final deadline for confirming the participation is **1 Month** before each event.

Participation will be confirmed upon the receipt of the participation fee.

PLACES ARE LIMITED AND WILL BE ASSIGNED BASED ON THE DATE OF RECEIPT OF THE PARTICIPATION FEE. EARLY RESERVATIONS ARE RECCOMENDED

In case any events will have to be canceled for Covid 19 related restrictions, the participation fee will be fully and immediately refunded.
