# PLANS FOR 2024?

Once again this year we have thought of participating as the "Dallara Family" in track days organized at some of the most enjoyable Italian and European circuits with our Dallara Stradale cars.

**Participation is open to everyone and the sessions are designed both for those who have experience in track days and for those who do not frequent the tracks assiduously.**

Precisely for this reason, on each date, we will have the support of a DALLARA COACH, both to be able to move in the right way the first steps on the track and to be able to improve. In addition, we will have the support of one or more DALLARA MECHANICS for every eventuality and need.

**THE GOAL IS TO HAVE FUN ALL TOGETHER!  
THEREFORE, ALREADY FROM THE EVENING BEFORE,  
A DINNER WILL BE ORGANIZED WITH ALL  
PARTICIPANTS AND DALLARA STAFF TO CREATE  
THE GROUP SPIRIT AND SHARE THE COMMON  
PASSION OF DALLARA STRADALE DNA.**

# F.A.Q. Track Day Dallara Stradale 2024

## IL TRACK DAY È APERTO A TUTTI?

Certainly yes, they are amateur track days in which both people who have never been on the track previously and more experienced drivers can participate. The Track4Fun and Challenge LLCC events that we will be participating in, are track dates under the tourist traffic regime among enthusiasts. The goal is to improve driving level and confidence for the sole purpose of increasing safety both on the road and on the track. Drivers must have a valid driver's license.

## QUALI SONO I REQUISITI PER PARTECIPARE?

Drivers must have a valid category B driver's license. Each registrant must attend the mandatory safety briefing at the beginning of the event, under penalty of exclusion from the rounds on the track.

Passengers will be allowed in some shifts indicated by the organization. Both driver and passenger are required to wear an approved car or motorcycle helmet. Clothing for both must include long pants, long-sleeved shirt and closed-toe shoes. As with all circuit activities, however, the use of FIA-approved fireproof suit and an FIA-approved automotive helmet is strongly recommended.

Persons who create danger on the track and who do not share the purely friendly and recreational-sporting ideals on which the event is based will be immediately excluded from the event.

## QUALI SONO I REQUISITI PER LE VETTURE ?

Participation is allowed for Dallara Stradale in any configuration (barchetta, spider or coupe). Cars must be roadworthy and have valid RCA insurance. A front trailer hitch must be mounted on the car. Prior to circuit activities, brake break-in procedure for track use as per specifications provided by Dallara, new Racing brake hoses and Trofeo R. tires are strongly recommended.

## POSSO PORTARE UN ACCOMPAGNATORE?

Guests are always welcome. The cost for each guest passenger is Euro 100; for each driver it is Euro 150 and includes participation in the dinner and the pass to access the track. It is possible to share the car and track driving sessions at will. Participation requirements for accompanying persons are the same as for the driver. Access is not allowed for those under 18 years of age.

## DEVO PRENOTARMI IN ANTICIPO?

Yes, it is highly recommended, as the events are limited in number and open to other participants. We recommend early registration with the option to cancel 1 month before the event.

## **TERMS OF PARTICIPATION**

**The registration deadline is 1 month before each event by paying the participation fee.**

**SEATS ARE LIMITED AND WILL BE ASSIGNED ACCORDING TO THE DATE OF RESERVATION**

Registration will be considered finalized only upon receipt of payment of the fee.

In the event that the guest is unable to attend the booked trackday, for personal reasons, they will be entitled to cancel their participation in the event with a penalty of 100% of the full fee from the 14th calendar day before the start of the event.
